Term 4, Week 1 A proud member of the Camden Haven Community of Schools 13 October 2017

A message from the Principal

## Ms Sheree Quinlivan

Dear parents and carers,

Welcome back to Johns River Public School. It's so nice to have some rain after the hot, dry weather over the school holidays. The Johns River RFS volunteers have been busy keeping local bushfires under control over the past weeks. These wonderful community members will be visiting the school next Wednesday with the fire truck to run a fire safety presentation for the students. Miss Craig has also been busy liaising with Work Health and Safety Consultant Evelyn Doak in preparation for the 2017 – 2018 bushfire season.

I will be spending a lot of time meeting with the 3MAPS Principals this term to complete a range of end of year administrative tasks. The current school planning cycle is coming to a close, meaning we will be developing the next 3MAPS School Plan for the 2018 – 2020 period. We will be working collaboratively with all stakeholders during this process, and anyone who would like to contribute or has any queries is very welcome to see me.

**Sheree Quinlivan**  
Teaching Principal
