A message from the Principal

Ms Sheree Quinlivan

Dear parents and carers,

Happy Education Week!
Education Week is a state-wide, annual event to celebrate public education in NSW. This year it will be held from 31 July to 4 August. The week highlights the achievements of public education and local schools, putting the spotlight on our students, our educators and the communities that support them.

This year's theme is "I Learn, We Learn."

System-wide improvement

Every student, every teacher, every leader and every school will improve every year.

High expectations for all

A culture of high expectations for our students and our educators sets high standards, which leads to high achievement.

Personalised student learning

By teaching to the strengths and needs of each individual, students will be better able to reach and exceed their potential.

Wellbeing

Every student will be known, cared for and respected.

Creating stronger ties with local communities

Parents and carers are our schools' partners in the education and wellbeing of each student. Partnerships with local businesses and industry create opportunities for our students to contribute to and thrive in society.
