A message from the Teaching Principal

Ms Sheree Quinlivan

Dear parents and carers,

Welcome to another term at Johns River Public School. I'm sure you'll all join me in extending a special welcome to Timothy, Darlene and their children Michael and Evita who commenced enrolment this week. We're all delighted they've joined the Johns River family.

We've got a busy few weeks approaching, with NAPLAN in Week 3, Life Education and 3MAPS Athletics in Week 4 and Mini Muddies in Week 5! Keep on the lookout for further information on Life Education and Mini Muddies.

We've got a busy few weeks approaching, with NAPLAN in Week 3, Life Education and 3MAPS Athletics in Week 4 and Mini Muddies in Week 5! Keep on the lookout for further information on Life Education and Mini Muddies.

Mr T and I attended an external validation workshop at Camden Haven High School today. All schools undergo external validation once during a five-year cycle, where they engage in discussions with an external panel and have their self-assessments validated using the School Excellence Framework. Our school will participate in external validation this year.

Finally, I'd like to congratulate Ruby and Shelby for a fantastic effort at the Manning Zone PSSA Cross Country today.

Thank you

Sheree Quinlivan

Child protection lessons

Child protection lessons are an important part of the school's PDHPE program. The content of the school's child protection lessons will be discussed at the next P&C meeting (Friday 11 May) as lessons are scheduled to commence this term. All families are invited to attend and raise any concerns they may have at the meeting. Parents and carers do have the option to withdraw their children from child protection lessons if they wish. If you are considering withdrawing your child after discussions at the meeting, please make an appointment to see the Principal to discuss your concerns.

Term 2 craft & scripture

We're delighted that Wendy will be returning to run craft lessons this term, and Mrs Albury will be back for scripture lessons. Both will run on a Wednesday afternoon, with craft on a weekly basis and scripture on a fortnightly basis. Students will be split into two small groups fortnightly, participating in craft or scripture in the first half of the afternoon before swapping over to the other for the second half.

If any parents or carers would prefer that their child does not participate in scripture lessons, they will have the opportunity to withdraw them. If you are considering this, please make an appointment to see the Principal for further discussion.

Cost: \$10.00 per student

Those who paid for the cancelled 2017 Life Education program will not be required to pay again this year. Further information coming soon!
