Please find us on Facebook. We would like to start pushing out as much information as possible via this platform. There are already some pictures and a video of our GRIP Leadership experience for you to see.

GRIP Leadership

Congratulations to Jai and Elkie who worked with peer leaders from other schools within the Hastings to learn more about being effective leaders. Both students took every opportunity they were given on the day to develop themselves as individuals and as leaders.

Athletics Carnival Monday 17th June – **Volunteers needed**

Please consider helping at the canteen on the day or to help with the preparation for the day. Hannam Vale PS P&C are coordinating the canteen with Johns River P&C. There are a number of schools (besides the 3MAPS schools) joining us for the athletics carnival so the potential for this to be a great fundraiser is there, we just need the man power to make it happen.
