A message from the Relieving Principal

COVID-19 Changes

There will be some changes to how schools operate for Term 4. This will mainly be around what is allowed regarding Orientation Programs and other events that have been changed as a result of the virus. I am waiting for the new guidelines to be released and I will update you all as new information comes to light.

Brochures

A big thanks to Mr T (creative genius!) who designed our new brochure! We delivered another 150 of these brochures around our local area this week to highlight what makes our school great. We are hoping that you are continuing to send any new enrolments our way. We look forward to showing more students what makes JRPS so great.

Breakfast Program

The school breakfast program will continue next term as it has been very successful. There will be a few tweaks to make sure we can continue to provide it to the students in the long term. We must thank Mrs Ruth Macnamara for her efforts in preparing the food and for teaching the kids about good food. It has been great to have her involved. Ruth also provided staff with an amazing vegetarian burger for our lunch on Wednesday. It was so good, I now have the recipe!

Johns River Public School Rocks!

On Thursday we hid some hand painted rocks around our local area. Here's hoping you are lucky enough to find one!

We have achieved a lot this term. The students have all achieved some great personal gains, both academically and socially. We are proud of each and every one of them.

I would like to make mention of the staff and the fabulous job they have done, and continue to do for the benefit of our students. I am immensely proud of their efforts.

Finally, farewell Mrs Marianne Reeves. What will we do without her? Marianne has been an amazing asset to Johns River Public School. She will be greatly missed by our staff and students. We wish her well at her new post out west!

Stay well

Murray McGrath

SAD GOODBYE

What an amazing couple of years. 2 Principals, floods, fires, covid and many days of laughter. I have had an exceptional time here at Johns River and I will miss you all greatly. Thank you for the good times and sweet memories that we shared together. **Goodbye!**
